About Xera Tech

Xera Tech, since 2016, has been a leading manufacturer of top-quality LED street lights and flood lights. Established in Nashik, we have emerged as a premier manufacturer of innovative LED lighting solutions with our state-of-the-art manufacturing facility and unwavering commitment to innovation.

Our journey began with a vision to revolutionize the lighting industry in India by providing energy-efficient, high-quality LED products that meet international standards while remaining accessible to the Indian market. Known for their sturdy design, damage resistance, perfect brightness, easy usability, and durability, our lights are designed in-house with the best available resources and workmanship.

"At Xera Tech, we believe in delivering more than just lighting products. We're committed to providing energy-efficient solutions that help our customers reduce their carbon footprint while ensuring optimal illumination for their spaces."

Lighting
Solutions

The 30W Chhatrapati Shivaji Maharaj Theme Decorative Street Light is a tribute to the great Maratha warrior king. Crowned with an authentic octagonal Rajmudra plaque bearing Chhatrapati Shivaji Maharaj's royal Sanskrit seal in Modi script, this light features symmetrical double curved arms with gold rosette scroll ironwork, faceted crystal pendant luminaires, gold pendant ball accents, a gold mid-band on the pole, and a grand octagonal cast iron decorative base in gunmetal-bronze finish. Ideal for Maratha heritage routes, Maharashtra government projects, forts, historical sites, municipal smart city beautification, and civic pride installations across Maharashtra.

Electrical Specifications

Power Consumption:	30W
Operating Voltage:	30W (2 × 15W LED Luminaires)
Voltage Range:	90V – 300V AC
Frequency:	50Hz
Power Factor:	≥ 0.95
Surge Protection:	6kV (Internal)

LED & Optical Specs

LED Efficiency:	90%
LED Life:	50,000 hr
CRI:	≥ 80
Beam Angle:	120°
Light Color:	White
LED Type:	3030

Physical Dimensions

Product Size (H×W×D):	4400×1800×200mm
Package Size (H×W×D):	4500×580×580mm
Weight:	52000g
Housing:	Aluminium Die Cast Luminaire + Cast Iron Pole
Body Color:	Gunmetal Black with Gold Accents

Environmental & Installation

IP Rating:	IP65
Operating Temperature:	-20°C to 50°C
Product Shape:	N/A
PIR Sensor:	If Required
Mounting Frame:	Required
