About Xera Tech

Xera Tech, since 2016, has been a leading manufacturer of top-quality LED street lights and flood lights. Established in Nashik, we have emerged as a premier manufacturer of innovative LED lighting solutions with our state-of-the-art manufacturing facility and unwavering commitment to innovation.

Our journey began with a vision to revolutionize the lighting industry in India by providing energy-efficient, high-quality LED products that meet international standards while remaining accessible to the Indian market. Known for their sturdy design, damage resistance, perfect brightness, easy usability, and durability, our lights are designed in-house with the best available resources and workmanship.

"At Xera Tech, we believe in delivering more than just lighting products. We're committed to providing energy-efficient solutions that help our customers reduce their carbon footprint while ensuring optimal illumination for their spaces."

Professional Lighting
Solutions

Decorative Street Light - Decorative Double Arm

SKU: DSL-SHV-30

The 30W Shiva Theme Decorative Street Light is an artistically crafted outdoor lighting solution inspired by Lord Shiva's Trishul (trident) and sacred motifs. Featuring intricate floral scroll ironwork arms, a Damru-adorned Trishul finial at the top, and a double-arm symmetrical design, this 4-metre decorative pole brings cultural heritage and divine aesthetics to streets, temples, ghats, pilgrimage routes, and heritage zones. Built with a robust cast iron base, antique bronze-finish body, and high-efficiency LED luminaires, it combines timeless artistry with modern energy-efficient technology.

LED Life

2 Years

Warranty

Electrical Specifications

Power Consumption:	30W
Operating Voltage:	30W (2 × 15W LED Luminaires)
Voltage Range:	90V – 300V AC
Frequency:	50Hz
Power Factor:	≥ 0.95
Surge Protection:	6kV (Internal)

LED & Optical Specs

LED Efficiency:	90%
LED Life:	50,000 hr
CRI:	≥ 80
Beam Angle:	120°
Light Color:	White
LED Type:	3030

Physical Dimensions

Product Size (H×W×D):	4200×1800×200mm
Package Size (H×W×D):	4300×500×500mm
Weight:	45000g
Housing:	Aluminium Die Cast Luminaire + Cast Iron Pole
Body Color:	Antique Bronze

Environmental & Installation

IP Rating:	IP65
Operating Temperature:	-20°C to 50°C
Product Shape:	N/A
PIR Sensor:	If Required
Mounting Frame:	Required

Driver & Control Specifications

Driver Type:	Isolated	Driver Life:	2 Years
Driver Efficiency:	90%	Solar Panel:	NA
Driver Life:	2 Years	Battery:	NA
		Charge Controller:	NA

Key Features

- ✓ Trishul Finial Topper
- ✓ Floral Scroll Ironwork
- ✓ Double Arm Symmetrical Design
- ✓ Antique Bronze Finish
- ✓ Heavy-Duty Cast Iron Base
- ✓ Corrosion Resistant Coating

Applications

- Temple Streets
- Pilgrimage Routes
- Heritage Zones
- Ghats
- Religious Sites
- Municipal Beautification
