About Xera Tech

Xera Tech, since 2016, has been a leading manufacturer of top-quality LED street lights and flood lights. Established in Nashik, we have emerged as a premier manufacturer of innovative LED lighting solutions with our state-of-the-art manufacturing facility and unwavering commitment to innovation.

Our journey began with a vision to revolutionize the lighting industry in India by providing energy-efficient, high-quality LED products that meet international standards while remaining accessible to the Indian market. Known for their sturdy design, damage resistance, perfect brightness, easy usability, and durability, our lights are designed in-house with the best available resources and workmanship.

"At Xera Tech, we believe in delivering more than just lighting products. We're committed to providing energy-efficient solutions that help our customers reduce their carbon footprint while ensuring optimal illumination for their spaces."

30W Single Arm Decorative Street Light

Xera Tech
Professional Lighting
Solutions

Decorative Street Light - Decorative Single Arm

SKU: DSL-SAC-30

The 30W Single Arm Classic Decorative Street Light by Xera Tech is an elegantly crafted outdoor lighting solution featuring an L-shaped horizontal arm with ornate scroll ironwork bracket, Fleur-de-lis gold finials at the arm corners, a hanging bell-saucer luminaire with frosted pendant, dual gold accent bands on the pole, and a gold fluted pedestal base. Mounted on a 4-metre matte black decorative pole, this single-arm light is ideal for walkways, promenades, heritage streetscapes, residential avenues, and commercial plazas where understated classical elegance is desired.

Warranty

Electrical Specifications

Power Consumption:	30W
Operating Voltage:	30W (1 × 30W LED Luminaire)
Voltage Range:	90V – 300V AC
Frequency:	50Hz
Power Factor:	≥ 0.95
Surge Protection:	6kV (Internal)

LED & Optical Specs

LED Efficiency:	90%
LED Life:	50,000 hr
CRI:	≥ 80
Beam Angle:	120°
Light Color:	White
LED Type:	3030

Physical Dimensions

Product Size (H×W×D):	4300×900×200mm
Package Size (H×W×D):	4400×500×350mm
Weight:	32000g
Housing:	Aluminium Die Cast Luminaire + M
Body Color:	Matte Black with Gold Accent Band

Environmental & Installation

IP Rating:	IP65
Operating Temperature:	-20°C to 50°C
Product Shape:	N/A
PIR Sensor:	If Required
Mounting Frame:	Not Required

Driver & Control Specifications

Driver Type:	Isolated	Driver Life:	2 Years
Driver Efficiency:	90%	Solar Panel:	NA
Driver Life:	2 Years	Battery:	NA
		Charge Controller:	NA

Key Features

- ✓ L-Shaped Single Outreach Arm
- ✓ Ornate Scroll Ironwork Bracket
- ✓ Fleur-de-lis Gold Finials
- ✓ Hanging Bell Saucer Luminaire
- ✓ Frosted Pendant
- ✓ Dual Gold Accent Bands on Pole
