About Xera Tech

Xera Tech, since 2016, has been a leading manufacturer of top-quality LED street lights and flood lights. Established in Nashik, we have emerged as a premier manufacturer of innovative LED lighting solutions with our state-of-the-art manufacturing facility and unwavering commitment to innovation.

Our journey began with a vision to revolutionize the lighting industry in India by providing energy-efficient, high-quality LED products that meet international standards while remaining accessible to the Indian market. Known for their sturdy design, damage resistance, perfect brightness, easy usability, and durability, our lights are designed in-house with the best available resources and workmanship.

"At Xera Tech, we believe in delivering more than just lighting products. We're committed to providing energy-efficient solutions that help our customers reduce their carbon footprint while ensuring optimal illumination for their spaces."

- ✓ Energy Efficiency (90% LED Efficiency)
- ✓ UV Protection & Weather Resistance
- ✓ BIS, RoHS, ISO 9001, CE Certified
- ✓ Easy Maintenance & Installation
- ✓ 50,000+ Hour LED Life
- ✓ 2 Year Comprehensive Warranty*
- ✓ IP66 Protection Rating

30W Vitthal Theme Decorative Street Light

Xera Tech
Professional Lighting
Solutions

Decorative Street Light - Decorative Double Arm

SKU: DSL-VTH-30

The 30W Vitthal Theme Decorative Street Light is a devotionally inspired outdoor lighting solution dedicated to Lord Vitthal (Vithoba) of Pandharpur. Featuring an ornate gold Vitthal crown finial, a sacred teardrop Tulsi Vrindavan medallion at the centre, symmetrical black floral scroll ironwork arms with gold lotus rosette accents, faceted crystal-style pendant luminaires, and a gold banding ring on the pole, this 4-metre decorative pole radiates divine grace and cultural reverence. Ideal for Wari pilgrimage routes, temple streets, religious towns, and smart city heritage zones across Maharashtra.

30W

Power

IP65

Protection

50,000 hr

2 Years

Warranty

Electrical Specifications

Power Consumption:	30W
Operating Voltage:	30W (2 × 15W LED Luminaires)
Voltage Range:	90V – 300V AC
Frequency:	50Hz
Power Factor:	≥ 0.95
Surge Protection:	6kV (Internal)

LED & Optical Specs

LED Efficiency:	90%
LED Life:	50,000 hr
CRI:	≥ 80
Beam Angle:	120°
Light Color:	White
LED Type:	3030

Physical Dimensions

Product Size (H×W×D):	4300×2000×200mm
Package Size (H×W×D):	4400×550×550mm
Weight:	48000g
Housing:	Aluminium Die Cast Luminaire + Cap
Body Color:	Matte Black with Gold Accents

Environmental & Installation

IP Rating:	IP65
Operating Temperature:	-20°C to 50°C
Product Shape:	N/A
PIR Sensor:	If Required
Mounting Frame:	Required

Driver & Control Specifications

Driver Type:	Isolated	Driver Life:	2 Years
Driver Efficiency:	90%	Solar Panel:	NA
Driver Life:	2 Years	Battery:	NA
		Charge Controller:	NA

Key Features

- ✓ Vitthal Crown Finial
- ✓ Tulsi Vrindavan Central Medallion
- ✓ Gold Lotus Rosette Accents
- ✓ Dual-Tone Black & Gold Finish
- ✓ Floral Scroll Ironwork Arms
- ✓ Gold Band Pole Ring

Applications

- Pandharpur Wari Pilgrimage Route
- Temple Streets
- Religious Towns
- Heritage Zones
- Ghats
- Municipal Beautification
